

Fines Policy

Wychwood FC may incur league or FA fines for misbehaviour or for breaches of the FA code of conduct by players or parents/carers.

Any fines, or any fees resulting from appeals, that are **not** as a result of match play (e.g yellow cards), will be passed onto (invoiced) to the parent/carer of the registered player. This includes any fines for Red cards.

Any fines must be paid within 10 working days to avoid late payment penalties and any late payment fees will too be passed onto the parent/carer.

Three Strikes, You're Out

Wychwood FC operate a 'three strikes, you're out' rule to safeguard coaches, players, parents and referees.

Any breaches of our rules, policies or code of conduct, by player or parent/carer could result in strike(s) being issued by the club. And as the naming implies, 3 strikes and you'll be asked to leave the club.

Strikes may be appealed, in writing, to the Chairman, within a week of the strike being issued.

The Club's and Chairman's decisions on strikes and bans are final.
