

## **Wychwood FC Lift Policy**

It is Wychwood FC Policy that Coaches and Match Officials do not provide lift/transport services/support to and from matches and training sessions, for any player except where it is their own child.

Transport of players to and from the match is the responsibility of the Parent/Guardian.

In the case where a specific event is organised, such as a Tournament or Football Tour, specific arrangements may be put in place regarding transport and these will be advised separately.

Match Day Officials (Coaches/Assistant Coaches/Official Parent Support) have a large remit prior to the game, during the game and after the game and this Policy is to ensure the Safeguarding of both the Players and Match Officials. It is to help to prevent any potential breaches of Safeguarding principles (e.g. an adult being alone with a Young Person who is not their own child), and to ensure that Match Officials are free to focus exclusively on their principal Match Day/Training priorities.

If you have any questions regarding this Policy, please contact the Club Welfare Officer, Adrian Crispin. Contact details available on the [Wychwoodfc.org](http://Wychwoodfc.org) website)
